Proud Sponsor of the **2012 BUILDER Concept Homes**—  
*Innovative Homes for Baby Boomers, Gen X, & Gen Y Buyers*

**Free guided tours to all IBS attendees February 8-11**

Eldorado Stone's diverse selection of authentic stone profiles and colors helped to create the inviting exterior elevations for three generations of homes... GEN X, GEN Y, & GEN B. Set side-by-side on a cul-de-sac, the trio of homes will serve as model homes for a 1,900-unit section of the Eagle Creek community near Orlando's Lake Nona. Eldorado Stone featured three unique stone profiles including Oyster Cut Course Stone™, Pearl White CoastalReef™ and Autumn Leaf RoughCut™.
